CAREER OBJECTIVE

An immensely motivated Computer Science student seeking an opportunity with an esteemed organization where I can utilize my skills and enhance learning in the field of work.

EDUCATION

KITS Engineering college Bachelor of Technology - Computer Science and Engineering; CGPA: 7.17	Kakinada, Andhra Pradesh 2021 - 2025
Sri Chaitanya Junior College Higher Secondary; Percentage: 85.9	Rajam, Andhra Pradesh 2019 – 2021
Vivekananda High School Board of Secondary Education; GPA: 9.3	Srikakulam, Andhra Pradesh 2018 - 2019

SKILLS

- **Languages:** Intermediate Proficiency in C, Python, Java, R, MySQL.
- **Web Technologies:** HTML5, CSS3, JavaScript.
- **CS Fundamentals:** Data Science and Algorithms.
- **Soft Skills:** Problem Solving, Public Speaking, Time Management, Self-motivated.

EXPERIENCE

Onestop.ai

Remote Participant

Virtual
October-2023

- Completed an internship at [One Stop.ai](#), applying Data Science techniques within the domain of machine learning to analyze and interpret complex data sets.
- I developed an SMS Spam Detection project in Python using statistical analysis and machine learning. Additionally, I collaborated on a Hate Speech Detection model, utilizing NLP techniques in Python to identify offensive content on social media.

SmartInternz!!

Remote Participant

Virtual
June-2024

- I successfully completed an internship at [SmartInternz](#), specializing in the domain of artificial intelligence.
- I have completed courses with certificates in IBM Cloud, such as "Mastering the Art of Prompting," "Introduction to Large Language Models," and "Introduction to Artificial Intelligence." Additionally, in the project place, I have earned completion badges for NASSCOM-assigned courses in ChatGPT for Excel and Artificial Intelligence.

PROJECTS

- I developed both a Hate Speech Detection system for Twitter and an SMS Spam Detection system using Python and Data Science techniques.
- Completed a [Credit EDA \(Exploratory Data Analysis\)](#) project using Data Science techniques with Python.

CERTIFICATIONS & BADGES

- **IBM Front-End Professional Certificate – Coursera:** [Coursera](#) is an online learning platform that partners with universities and organizations worldwide.
- **Html5 & CSS3 – Infosys Springboard:** Received a completion certificate from [Infosys Springboard](#).
- **Python – Geekstar:** Received a completion certificate from [Geekstar](#).
- **Credly – Badges:** I earned [badges](#) in the domains of Journey to Cloud: Envisioning Your Solution, Getting Started with Artificial Intelligence, and IBM Frontend Professional Certificate courses on Coursera.
